

Quality Actions for Quality Clients

Enid, OK - Oklahoma City, OK

Now Hiring!

Senior Civil 3D CAD Drafter/Designer

[Envirotech Engineering and Consulting](#) is a full-service design engineering, environmental consulting, and geotechnical services firm servicing public and private clients throughout the United States.

We are celebrating over 30 years of exceptional service to our clients, our talented team members, and their families. Our outstanding growth has been a direct result of the commitment of our team members to our Mission of **Quality Actions for Quality Clients**.

If the following sounds like you, we suspect you will thrive in this role:

- Be paid what you're worth! And enjoy great benefits. We will openly discuss pay, including all benefits, in our very first conversation. Compensation also includes potential bonuses. We know that pay and benefits are critical elements to your professional success. Secondly, we want our culture to be what engages and retains you. You will also be afforded a company truck, which you are invited to take home each day.
- You have communication skills that allow you to relate to, and build trust with everyone, from all diverse backgrounds and experiences.
- This position can be located in the Enid or Oklahoma City office.
- You enjoy great amounts of autonomy. Because you are renowned for your professional maturity, and technical, drafting excellence, you will not be micro-managed. It is not how we operate. All of us work as one team, and we trust our supervisors, managers, and leaders to be fully accountable for driving 'Quality Actions,' as our Mission Statement, professes. It works. It really does.

Our Team of Engineers and Scientists are looking for a new team member that possesses the following skills:

- Be proficient in AutoDesk / AutoCAD Civil 3D.
- Be able to complete civil engineering site plans, including creating surfaces, grade pits, balance dirt, prepare alignments, profiles, corridors, cross-section templates, pipe networks, labeling, style settings, and sheet manager.
- Be able to review historical projects and profitably re-create them with updated locations, client specifics, etc.
- Be a trustworthy role model of leadership, who is a great communicator, shares knowledge, and is also a passionately talented designer.
- Be able to maintain key client relationships.
- Be able to organize and manage multiple priorities.
- At least 25 years of age, legally eligible to work in the US, can pass comprehensive background checks, and are willing to submit to a drug screen if asked.

Other primary duties:

- Drafting and plan production.
- Draft proposals and reports for clients.
- Check the technical accuracy of Plan Production work.

Reasons to join our team:

- A working environment full of dedicated coworkers, and a team of organizational leaders focused on ensuring you have the tools necessary to succeed!
- Envirotech is EEOC compliant and certainly encourages America's military veterans to apply.
- Opportunities for advancement and development.
- Family-owned business and atmosphere.
- Variety of interesting assignments, projects, and work locations.
- Envirotech makes an investment in your development and training. You may receive company-paid training to receive certifications in relevant areas.
